

Connecting Neighbors, Fostering Involvement In
Our Neighborhood, and in the Larger Community

An Invitation to Join

Sunset Hill Community Association (SHCA) is one of Seattle's oldest neighborhood associations. It was formed in 1922 and in 1929 members purchased land and built the two-story Clubhouse to provide the residents and children of Sunset Hill with a hall for community activities.

Membership is open to anyone but to claim voting privileges you must reside between NW Market Street and 85th Avenue NW, and from Puget Sound to 24th Avenue NW.

A volunteer board of trustees is drawn from the voting members and is elected annually. Officers communicate with public officials on issues that affect our neighborhood and the city, including public transport, local development, and quality-of-life issues.

General Program meetings are held in the upper hall of the Clubhouse at 7 pm on the fourth Wednesday of each month, except in June, July, August and December. Board meetings are at 7:15 pm on the third Wednesday. Please call the President to confirm the location.

SHCA has five active committees serving the organization – Finance, Building, Land Use, Programs, and Membership.

These committees oversee the organization's finances; maintain the building, and manage it as a rental facility. The Land Use committee seeks to research and inform residents about development issues. The Program committee organizes general interest meetings including, in the past year, local political candidates addressing questions and concerns of Sunset Hill residents; a discussion with City Planners and Realtors; Seattle Port officials, our annual Wine Tasting, and the highly successful Kids Movie Night series. Finally, the Membership committee communicates with members through mailings, email and our new website at www.sunsethillcommunity.com.

SHCA hosts occasional private events for members only and offers members reduced admission to some productions and performances. Please take this opportunity to join SHCA, meet fellow residents, and enhance the neighborhood you call home.

Board of Trustees President: Robert Drucker 206-784-2927 president@sunsethillcommunity.com
 Building Manager: Cynthia Roman 206-784-2927 sunsethillclub@juno.com
